Second, Number of Trainees

Up to now, the Shufu County Industry City Vocational Skills Education Training Center has: a total of 4528 trainees, including 3490 male trainees, 1038 female trainees.

¹ The Industrial City (工业城) is located in the Konasheher Industrial Park (工业园区).

² The list of distinct police forces adds up to 330, not 331. This could have several reasons, including the possibility that the camp's undercover agent is not separately listed.

(1) Regular Management Category

Regular Management – A: Male: 418 people, Female: 100 people, Total: 518 people.

Regular Management – B: Male: 268 people, Female: 75 people, Total: 343 people.

Regular Management – C: Male: 208 people, Female: 67 people, Total: 275 people.

Total Regular Management trainees: 1136 people.

(2) Strict Management Category

Strict Management – A: Male: 618 people, Female: 186 people, Total: 806³ people.

Strict Management – B: Male: 662 people, Female: 149 people, Total: 811 people.

Strict Management – C: Male: 254 people, Female: 85 people, Total: 339 people.

Total Strict Management trainees: 1954 people.

New Three Types: Male: 257 people, Female: 8 people, Total: 265 people.

Total New Three category trainees: 265 people.

(7) Not yet Screened Category

Not yet screened: Male: 21 people, Female: 13 people, Total: 34 people.

³ The correct total is 804 persons. There are several addition errors in this section. Such mistakes this are not uncommon, given the intense pressure that security and administrative staff are under to routinely produce large numbers of detailed reports and statistics.

⁴ These appear to be government employees that are being interned for re-education.
